Max, As indicated by my other email from a few minutes ago, your records have been updated. Does this resolve the concern that you have? If not, the Outcome Assessment Exam has a note on it that says, You are registered for the Outcomes Assessment when you submit your graduation application. This is something that all students take in their last semester. Please let me know what questions you have, Dr. Carroll		Carroll, Hyrum	10/21/2022
